

PITCHED ROOF COVERED WITH TRAPEZOIDAL SHEET METAL

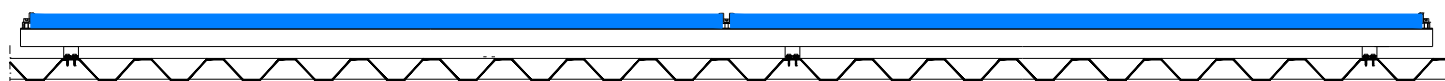

Horizontal mounting for pitched roof covered with trapezoidal sheet metal on omega hooks - DS.BT.1H

Technical specifications

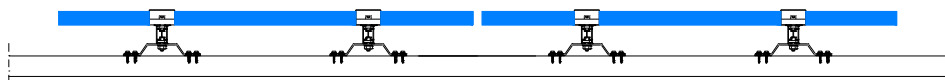

System material	aluminium and stainless steel
Type of roof	pitched roof / trapezoidal
Orinetacja modułu	pozioma
Mounting system	on the short side on omega hook 501.023
Roof area for 1 kW	6,65 m ² (for moduleu 1650x992)
Roof load for 1 kW (without modules)	15,84 kg/1kW 2,38 kg/m ²

cross-section A-A

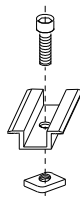

cross-section B-B

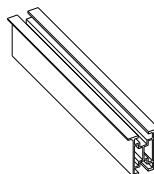

closing clamp 102.003
 allen screw 202.003
 hammer nut 203.001

middle clamp 102.001
 allen screw 202.003
 hammer nut 203.001

mounting rail 38x45 101.001

omega hook for trapezoidal metal sheet 501.023
 self drilling screw K4,8x25 204.001
 washer with EPDM gasket 4,8x12 205.002
