

# FLAT ROOF MOUNTING SYSTEM - EKIERKA ECO

## Horizontal mounting on a rail 38x45 type 101.001- DP.1H eco

### Technical specification

System material	aluminium and stainless steel
Roof type	flat roof
Tilt angle	15°, 20°, 25°, 30°, 35°
Module orientation	horizontal
Mounting system	on the short side on a rail 38x45 type 101.001
Roof area for 1 kW (for module 1650x992)	for tilt angle 15° - 7,3m <sup>2</sup> for tilt angle 20° - 7,1m <sup>2</sup> for tilt angle 25° - 6,8m <sup>2</sup> for tilt angle 30° - 6,5m <sup>2</sup> for tilt angle 35° - 6,1m <sup>2</sup>
Roof load for 1 kW (without modules)	for tilt angle 15° - 13,4kg for tilt angle 20° - 13,6kg for tilt angle 25° - 13,8kg for tilt angle 30° - 13,9kg for tilt angle 35° - 14,0kg
